

April 2, 2020

For the prevention of spreading of the novel coronavirus (COVID-19), the Governor of Fukuoka is asking for prefectural residents to stay at home during the weekend and the following below.

[Current situation in Fukuoka Prefecture]

Total number of infected cases	78
New number of infections on April 1 st	32 (new single day high of infections)
Don't now how they got infected	60%

- The infection numbers may rise in the future
- It is a crucial period to prevent the infections and spreading the infections
- Your actions may affect the situation for next week or 2 weeks from now.

[Details of request]

- ◆ We ask for people to stay in your house and avoid from all but essential travel from this weekend to the weekend of the 19th.
- ◆ Please avoid poorly ventilated spaces, crowded spaces, and close contact with people, please avoid places that overlap with these 3 conditions.
- ◆ Please wash your hands and practice coughing etiquette
- ◆ If you suspect you have the novel corona virus (COVID-19), please call a medical institution (please reference the contact list of medical institutions)
- ◆ When consulting with a hospital, please call the hospital first about consultation beforehand, and not go directly to the hospital first.
- ◆ Try to avoid, places like Tokyo or Osaka where the infection is spreading.
- ◆ For international travel, please refer from the ministry of foreign affairs of Japan for information.
